

**Bartosz
Kuczewski**

Dr Kuczewski was born in Syców, Poland, in 1975. He received his M.Sc. degree in electrical engineering from the Technical University of Zielona Góra in 2000 and the Ph.D. degree in computer science from the University of Zielona Góra in 2006. Since 2000 he has been working at the Faculty of Electrical Engineering, Computer Science and Telecommunications of the University of Zielona Góra. His research concentrates on application of optimal design methods to system identification with particular attention to structural identification of dynamic processes.
