CIVIL AND ENVIRONMENTAL ENGINEERING REPORTS

Civil and Environmental Engineering Reports (CEER) is a scientific journal published semi-annually by the University of Zielona Góra.

Kindly welcome are papers that are written in English and concerned with the research problems in civil and environmental engineering.

Papers are selected for publication through the review process. The authors will receive one copy of CEER.

Templates for manuscript preparation are available on the website: www.ceer.uz.zgora.pl

EDITORIAL BOARD

Mieczysław KUCZMA – Editor-in-Chief

Andrzej GREINERT – Associate Editor

Piotr ALIAWDIN (Poland)

Tadeusz BILIŃSKI (Poland)

Leszek DEMKOWICZ (USA)

Michał DRAB (Poland)

Józef GIL (Poland)

Andrzej JĘDRCZAK (Poland)

Cezary KABAŁA (Poland)

Piotr KONDERLA (Poland)

Zygmunt LIPNICKI (Poland)

Peter OSTERRIEDER (Germany)

Marlena PIONTEK (Poland)

Gwidon SZEFER (Poland)

Romuald ŚWITKA (Poland)

Bernhard WEIGAND (Germany)

Krzysztof WILMAŃSKI (Germany)

Czesław WOŹNIAK (Poland)

Bernd ZASTRAU (Germany)

Zofia ŻAKOWSKA (Poland)

List of the reviewers cooperating with ceer is on website www.ceer.uz.zgora.pl
