

Maciej Patan

Dr Patan was born in Zielona Góra, Poland, in 1975. He received his M.Sc. and Ph.D. degrees, both in electrical engineering, from the Technical University of Zielona Góra, in 2000 and 2004, respectively. Since 2004, he has been an Assistant Professor on the Faculty of Electrical Engineering, Computer Science and Telecommunications of the University of Zielona Góra. His general research interests include optimal experimental design in spatio-temporal systems, application of optimal design methods to system identification, parameter estimation techniques in distributed systems, numerical methods for solving partial differential equations and fault detection techniques.
