The hard copy is an original version.

Editors attach great importance to the reliability and honesty of authors. The articles which are not his or her own work, or are plagiarism will be strictly rejected. In addition, all detected cases of ghostwriting and guest authorship will be exposed, including notification of the appropriate institutions, and documented. The author is obliged to disclose any contribution of the co-authors of publications and sources of funding. The reviewing procedure is carried out according to the principle of "double-blind review", where authors and reviewers do not know their identity.
